Cell phone?	
Doctor?	
Phone # ?	
Any allergies I should know about?	
Are there any challenges that I need to know about so I can best teach this artist?	
If this artist has any 'triggers' let me know what they are, and how to help them through them.	
For the artist: What word would you use to describe yourself?	

For the artist: What do you want to learn from me? And please don't say Math...I still carry the 1.

Photo Release: If I take an awesome photo of your artist that screams how fun this class is, do I have permission to use that photo on crawfordislandart.com, facebook.com/crawfordislandart, and/or instagram.com/crawfordislandart? I promise only to use awesome pics!

Yes or no (circle one)

How is the artist getting here?

Do you need me to meet them at the school?

If yes, which school and what time?

How is the artist getting home?

Are they allowed to leave here on their own at the end of class (are they within walking distance or do they drive?)

CONSENT: Please don't sue me. I will do everything in my power to keep your artist safe while they are in my class. Just follow the rules of my studio and all will be well.

Parent signature not to sue me if young artist is goofing off and gets hurt.
